Ralph Ellison's Invisible Man is a monumental novel, one that can well be called an epic of 20th-century African-American life. It is a strange story, in which many extraordinary things happen, some of them shocking and brutal, some of them pitiful and touching - yet always with elements of comedy and irony and burlesque that appear in unexpected places.

This, Ralph Ellison argues convincingly, is a dangerous habit. A classic from the moment it first appeared in 1952, Invisible Man chronicles the travels of its narrator, a young, nameless black man, as he moves through the hellish levels of American intolerance and cultural blindness. Searching for a context in which to know himself, he exists ...

The Invisible Man (1897) is one of the most famous science fiction novels of all time. Written by H.G. Wells (1866-1946), it tells the story of a scientist who discovers the secret of invisibility and uses it on himself. The story begins as the Invisible Man, with a bandaged face and a heavy coat and gloves, takes a train to lodge in a country ...
