As we said earlier, watermelon comprises 92% of water, but zucchini beats it out by just a smidgen, being made up of 95% H2O. With both, this salad is super hydrating. Notice this dish has a fancy flare with its inclusion of Halloumi cheese. That grilled masterpiece laying across the bed of greens (and a splash of pink from the watermelon) is not a chicken breast. The cheese originates from ...

25 Watermelon Recipes You'll Crave — Eat This Not That

Your body was made to live on water. Your soul was made to live on God. This is the most important thing to know about yourself. You were made to live on God. You have a soul, a spirit. There is a you that is more than a body. And that you, if it does not drink from the greatness and wisdom and power and goodness and justice and holiness and love of God, will die of thirst. Third, implied in ...
