Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface.

However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

A used 4-stroke outboard motor will typically be cheaper than a new 4-stroke outboard for sale. You should look at the number of hours that the engine has been run as if you were checking the mileage on a motor vehicle engine.

Other considerations are the condition of the used engine. Most listings will have
