MENTOR – The National Mentoring Partnership

Executive Summary. There are lots of ways to be a good mentor, but there are a few common principles that the best mentors share. One principle is putting the relationship before the mentorship.

What the Best Mentors Do - Harvard Business Review

Mentors are not just respectful, enthusiastic people. They should be considered an expert in their field, and be in the same field you are hoping to become an expert in. It is possible for a mentor to not be in an expert in the field you work in and provide excellent guidance, but you generally should stick with an expert in your field.
