Mr. Whistler's "ten O'clock"...: Whistler, James McNeill ...

Mr. Whistler's "Ten O'Clock". Whistler was one of the most original, if also tirelessly self-promoting artists of the later 19th century. After his disastrous run-in with John Ruskin, the greatest critic of the previous generation, Whistler poured his thoughts and feelings about art into this lecture, which made him if anything more notorious, but was also widely admired for its insights and wit.

Mr. Whistler's Ten O'clock by James Abbott McNeill ...

Ten o'clock in the evening seemed like a civilised hour to start. Whistler recognised that this timing alone would raise eyebrows among the industrious middle-classes. He evidently did not expect his audience to have to rise early the following day.

'Art Happens': James Whistler and Ten O'Clock lecture

"The success of Mr. Whistler's 'Ten o'Clock' was indeed unquestionable, not only as a rare entertainment; but as a most unexpected revelation of serious and scientific work, from a man who has been popularly regarded as eccentric and incomprehensible."

Mr Whistler's Ten O'clock. (Pall Mall Gazette, February 21, 1885.) Last night, at Prince's Hall, Mr. Whistler made his first public appearance as a lecturer on art, and spoke for more than an hour with really marvellous eloquence on the absolute uselessness of all lectures of the kind. Mr. Whistler began his lecture with a very pretty aria on prehistoric history, describing how in earlier times hunter and warrior would go forth to chase and foray, while the artist sat at home making cup and ...

Over time, the painter Whistler began to feel as if the poet Wilde were copying some of his famous quotes—and even his opinions on art. Whistler decided to claim ownership of his ideas, before only informally communicated, by delivering his famous public “Ten O’Clock” lecture, in which he set down his artistic principles.

Mr. Whistler's "Ten o'clock." (Book, 1908) [WorldCat.org]

Whistler published his first book, Ten O'clock Lecture in 1885, a major expression of his belief in "art for art's sake". At the time, the opposing Victorian notion reigned, namely, that art, and indeed much human activity, had a moral or social function.
