There are plenty of exercises and games to encourage a wider understanding of music, even at the very early stages of learning. Included within this second book are exercises in finding notes on a piano keyboard, new notes in the treble clef, new notes in the bass clef, rests, quavers, the quaver rest, ties, tests and games.

**My Second Book: Theory - Ackerman Music**

The book introduces the reader to reading notes, time signatures, and there are even crossword puzzles and activities! Well suited for kids just starting out music theory. And the book is very well formatted and pretty. Engaged my kids for sure.
