### Narratology And Classics A Practical

The theory of narrative or narratology, which was developed in the 1960s, has helped us towards a better understanding of the how and why of narrative. Narratology and Classics is the first introduction to narratology that deals specifically with classical narrative: epic, historiography, biography, the ancient novel, but also the many narratives inserted in drama or lyric.

### Narratology and Classics: A Practical Guide: Amazon.co.uk ...

Overall, de Jong's Narratology and Classics is a brave attempt to put classicists and modern-language philologists into contact with one another on the playground of narratological study.

### Irene de Jong. Narratology and Classics: A Practical Guide ...

This book is a quick yet very competent introduction to narratology specifically applied to classical texts. However, the author has had the great idea of illustrating the narratological concepts presented here not only with examples from classical literature but also from contemporary texts from different literatures which demonstrates the wide applicability of this method of literary criticism.
