No. 4 Imperial Lane is powerful, moving and as insightful about the grand sweep of history as it is about dynamics of families. It's not War and Peace, but much of it effectively employs a similar method that shifts from high political history, to ground-level descriptions of the fighting and other events of that history, to the relationships of the families caught in their sweep.

That said, No. 4 Imperial Lane's central tale about a sheltered British heiress running off to 1970's colonial Africa with a Portuguese doctor she meets on vacation is terrific, and I don't recommend such screenplay-friendly fare lightly. If Guinean warlords aren't your usual genre you might have trouble keeping track of them, but that shouldn't hamper your enjoyment of the entitled, doomed couple at the story's core.
