Added support for memory Samsung ...

Polaris Bios Editor 1.7.5 download

Did not verify all the details on the editor but I had a hard time finding how to change some settings. Some are in the options dialog some (like the font size) are not. Also I could not change the color coding. As I want

to use the tool for documenting I need to copy not only the text but also the formatting. The indentation is set to 1 space where the common is 4. This cannot be changed and ...
