With the association established, the people, places, and things are strongly connected to drug use, and your brain begins to expect the drug when a trigger is present. 3. The People. Your people triggers can include a surprisingly wide range of people from your past and present like: Your parents. Siblings. Other family members, both living and deceased.

The Impact of People, Places, and Things in Addiction

People Places And Things 3
People, Places, and Things in Addiction
The idea behind changing people, places, and things in recovery is to break your old patterns of behavior that led you to drink or use. People who are new in recovery often fall victim to "euphoric recall," romanticizing or glamorizing their past using, only recalling the pleasurable feelings
