Political Philosophies in Moral Conflict

Philosophers commonly argue that conflicts of values are deeply problematic for ethical theories in so far as they force the theories into impracticality, incompleteness, or irrationalism. To be complete, a theory must tell us in every case what must be done.

or altruistic demands. Bentham is not unaware of this tension. He addresses part of the problem in the political context in other writings, notably his Plan for Parliamentary Reform (1817). In the political context, the problem is how we can get self-interested rulers to rule in the interest of the governed, as utilitarianism implies that they should.
