titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories.

Red Pill The Truth About

The Red Pill sees itself as a bastion of truth and fairness. A bunch of rebel freedom-fighters unleashed against a feminized society which is out to oppress, harass and turn men into blue-pill slaves. It's a romantic and appealing way of looking at oneself, reminiscing of old myths and modern rebels fighting wicked dark empires.
