[T]he reference in Article IX to "the responsibility of a State for genocide or for any of the other acts enumerated in Article III," does not exclude any form of State responsibility. Nor is the responsibility of a State for acts of its organs excluded by Article IV of the Convention, which contemplates the commission of an act of genocide ...

The Elements of State Responsibility

The rights accorded to states under international law imply responsibilities. States are liable for breaches of their obligations, provided that the breach is attributable to the state itself. A state is responsible for direct violations of international law—e.g., the breach of a treaty or the violation of another state's territory.
