**Strengthening Fragile States: Causes and Solutions ...**  
The United States used to think regularly about the islands of the South Pacific. On her tour of the region in 1943, Eleanor Roosevelt had a message for Americans troops stretched out across the Pacific islands. "Every day", she told them, Franklin Roosevelt "goes down to the map room in the White House and notes on the maps where you are and what you are doing".

Problems with current measurements A key obstacle to developing a more effective policy is the lack of a clear measure of state fragility. Existing rankings and listings of fragile states (for example by the Fund for Peace, the World Bank, and the OECD) measure the consequences rather than the causes of fragility. They combine a surfeit of indicators—the OECD uses forty-four—from conflict ...
