Into the Wild is based on the life and death of Chris McCandless, a young man from a well-to-do family, who gave up all his worldly possessions, and hitchhiked throughout the U.S., to Alaska, between 1990 and 1992. He trekked into Denali National Park and lived off the land for 113 days before apparently dying of starvation. McCandless’s journey is shaped by American economic, cultural ...

As an evaluation of content mastery, summative assessments occur at the end of a given learning period. Generally, they are end-of-course or end-of-year exams; however, these are not the only applicable uses of summative assessments. Evaluating students' learning could come at the end of a chapter or learning module. Thus, summative ...
