### SOU-CCJ230 Introduction to the American Criminal Justice ...

Criminal law relates to laws passed by the United States whose violation constitutes a crime which can result in fines, imprisonment...or even death. Unlike civil law in which private citizens utilize the courts to seek redress or enforce their rights, a criminal trial involves either the Federal government or the State government seeking to obtain a guilty verdict against an individual.

### The American System of Criminal Justice | Stimmel Law

What is the Criminal Justice System? The modern American justice system developed through years of change and increasing structuralization. From its original form as colonial crime codes based on religious doctrine, the United States criminal justice system evolved into the complex entity we recognize today.

### A Guide To The Criminal Justice System | CriminalJustice.com

Intro to the American Criminal Justice System. Unlike in most countries, the United States criminal justice system is not represented by a single, all-encompassing institution. Rather, it is a network of criminal justice systems at the federal, state, and special jurisdictional levels like military courts and territorial courts.

### 3: Criminal Law - SOU-CCJ230 Introduction to the American ...

The phrase criminal justice system refers to a collection of federal, state, and local public agencies that deal with the crime problem. These agencies process suspects, defendants, and convicted offenders and are interdependent insofar as the decisions of one agency affect other agencies.

### The Structure of Criminal Justice

The United States has a Constitution that protects its citizens from abuse in the criminal justice system. The right to a trial, to fair treatment by law enforcement are enshrined. Importantly, the Eighth Amendment also protects those convicted from cruel and unusual punishment. In spite of all this, the American penal system is broken in many ways.
