### **The Mormon Image In The**

"The Mormon image in the American mind is, as J. B. Haws so eloquently demonstrates, an ever-moving target ranging from hostility, to invisibility, to grudging acceptance, to Broadway musicals. Of particular interest and value is Haws's careful nuancing of the image of Mormonism as refracted through the presidential campaigns of Mitt Romney.

The Mormon Image in the American Mind: Fifty Years of Public Perception. Reviewer Sherry P. Baker. The book focuses on the fifty-year period surrounding the presidential campaign of George Romney in 1968 to Mitt Romney's campaign in 2012. The author considers the role Mormonism played in these campaigns; the heart of the book, however, focuses on other major events that affected public perceptions of Mormonism throughout this period, and the relationships and interactions of The Church of ...

The term Mormon comes from the church's signature scripture, the Book of Mormon, which followers believe is based on the record keeping of an ancient prophet named Mormon. When someone says the word 'Mormon', what's the first image that comes to mind? If you're honest, you think of two young men on bicycles, wearing white shirts and ...
