In social science and politics, power is the social production of an effect that determines the capacities, actions, beliefs, or conduct of actors. Power does not exclusively refer to the threat or use of force by one actor against another, but may also be exerted through diffuse means (such as institutions). Power may also take structural forms, as it orders actors in relation to one another ...

Harriet Kepner-Avery is the daughter of April Kepner and Jackson Avery. On the day of Owen and Amelia's wedding, April went into labor while looking for the ring at Meredith's House. Ben, who was with her, wanted to take her to the hospital, but she didn't want to chance being caught in the car in the rain, so she said she'd just have the baby at Meredith's house. Everything was going well ...
