PRICELESS. Should buy a copy for each member of the 9-11 commission plus two or three more to give away. Okay 9-11 studies are getting tiresome especially if you've read some 25-30 by now, but this one is different and even though we all know the main players better than their own relatives this book is still a revelation all these years later.

The Islamic year contains 12 months, none of which can exceed 30 days. Each month starts when the lunar crescent is first seen after a new moon. Because 12 lunar months multiplied by 29.53 days equals 354.36 days, the Islamic calendar will always be approximately 11 days shorter than the Western (Gregorian)
