Preparing a winning proposal means writing for the client and providing a clear, valuable solution to their problem. Each proposal must be planned out before a word is written. This planning assures a deep consideration of the audience, the most effective structure, and persuasive content.

10 Best Proposal Examples [With Critical Critiques]

There is one practical tip that I guarantee will increase any company's win rate if used correctly. That tip is (and you're going to hate this)... Bid less. I agree with you: what a cop out! But it's true. There are all sorts of reasons why a company might have a low win rate (by the way, average win rates overall hover around 20-30%).
