It'll be easy enough to get through—" She was up on the chimney-piece while she said this, though she hardly knew how she had got there. And certainly the glass was beginning to melt away, just like a bright silvery mist. In another moment Alice was through the glass, and had jumped lightly down into the Looking-glass room. The very first ...

Signs of an Infestation. The key signs of a raccoon infestation are both visual and audible. Damage to a home's insulation, wood, shingles, electrical wiring, walls or other parts of the structure is a telltale sign that a raccoon has taken up residence inside. Another indication of a raccoon infestation is the presence of droppings, urine stains, or built-up materials from creating a nest.
