Translating Women Perspectives On Translation

This book focuses on women and translation in cultures 'across other horizons' well beyond the European or Anglo-American centres. Drawing on transnational feminist connections, its editors have assembled work from four continents and included articles from Morocco, Mexico, Sri Lanka, Turkey, China, Saudi Arabia, Columbia and beyond.

Amazon.com: Translating Women: Different Voices and New ...

Translating Women revives the exploration of gender in translation begun in the 1990s by Susanne de Lotbinière-Harwood's Re-belle et infidèle/The Body Bilingual (1992), Sherry Simon's Gender in Translation (1996), and Luise von Flotow's Translation and Gender (1997). Translating Women complements those seminal texts by providing a wide variety of examples of how feminist theory can inform the study and practice of translation.

Translations were acceptable work for women because of the dependency of the translation on the original text. By definition, a translation can't exist without an original to lean on, the way a ...

What happens when women translate the Classics

Gender and the Practice of Translation (pp. 14-34) The work of translating in an 'era of feminism', in an era powerfully influenced by feminist thought, has had an acute effect on translation practice. First, translators have sought out contemporary women's writing in order to translate it into their own cultures.

List of women translators - Wikipedia

The last thirty years of intellectual and artistic creativity in the 20th century have been marked by gender issues. Translation practice, translation theory and translation criticism have also been powerfully affected by the focus on gender. As a result of feminist praxis and criticism and the simultaneous emphasis on culture in translation studies, translation has become an important site for the exploration of the cultural impact of gender and the gender-specific influence of culture.
