New Husqvarna TS Tractor Series | OPE Reviews

The Suzuki TS series is a family of two-stroke, dual-sport motorcycles made by Suzuki since 1969. The series was the first Suzuki trail bikes sold on the mass market. Most of the TS line had an air-cooled engine and most models were introduced alongside the closely related TM or TC models, TF and also the DS which in most cases shared engine and chassis designs. Suzuki's first mass market motocross bike, the TM400 Cyclone, was introduced in 1971 and was based on the TS that first sold in 1969. A
