Us Army War College Guide

present the Army War College's strategy formulation model to students and practitioners. This book serves as a guide to one method for the formulation, analysis and study of strategy—an approach which we have found to be useful in providing generations of strategists with the conceptual tools to think systematically, strategically, critically,

U.S. Army War College Guide to Strategy

The U.S. Army War College Guides to Civil War Battles. These guides combine eyewitness accounts with explicit details about advances and retreats, leadership strategies, obstacles, achievements, and blunders to bring the exploits to life. They provide directions to key points of interest on the battlefield and maps that illustrate the action and show details of troop positions, roads, rivers, elevations, and tree lines as they were 150 years ago.

Army War College - Center for Strategic Leadership

WAR ROOM is the online journal of the United States Army War College, created through the gracious support of the U.S. Army War College Foundation, but WAR ROOM is not just for the Army community. We think open competition improves the quality of ideas, and we believe that good ideas can come from anywhere. WAR ROOM has a crowdsourcing approach to content generation, and it relies on contributions through an open submission process.

WRITE FOR US - US Army War College War Room

"A stellar contribution to the long and excellent tradition of the U.S. Army War College Guides that covers one of the most important campaigns of the Civil War. The authors' organization and contextualization of their story are superbly done and the maps are outstanding, among the best I have ever seen depicting the action and topography of the Richmond Petersburg battle sites."--
