Wealth And Poverty George Gilder

Gilder has always been one of the smartest guys around and one of the best at explaining how we create wealth, and how that wealth can alleviate poverty. He believes that there is a mutuality of gain from trade, and that what benefits one party in the economy will often have side benefits for others.

...

Wealth and Poverty; George Gilder (2012) Both conservatives and liberals have greatly "mis-underestimated" capitalism. We should advocate and defend capitalism for moral reasons, not just material ones. It creates abundance precisely because of its moral foundations. Modern governments pretend to promote economic growth but doggedly
