Why Has America Stopped Inventing

Why Has America Stopped Inventing? compares some of America's most successful 19th century inventors with those of today, showing Jefferson refusing to waste any more weekends examining patent applications, Whitney being robbed of his fortune while the South's wealth exploded, the patent models that kept British soldiers from burning Washington's last-standing federal building, the ...

Amazon.com: Why Has America Stopped Inventing ...

Everything about America has at one point or another been an experiment and a leap of faith. And one such experiment—upon which all others depend for success—is the U.S. Patent System. Why Has America Stopped Inventing? takes a close look at why this experiment appears to be failing, at why America has all but stopped inventing.

Why Has America Stopped Inventing

Why Has America Stopped Inventing? takes a close look at why Americas 200 year experiment with patents appears to be failing, and why America has all but stopped inventing. It explains why our over-legislated patent system has snuffed out any incentive to invent desperately needed technologies, such as new forms of clean energy.

Why America Has Stopped Inventing Download

Why Has America Stopped Inventing? takes a close look at why this experiment appears to be failing, and why America has all but stopped inventing. Our belief that we are the most innovative people on earth is mistaken. Statistics show that today we invent less than half of what our counterparts did a hundred and fifty years ago.
